\_\_\_\_\_

### Payment Option 2: By Checking Account

You must include a voided check with this option!

I understand that the appropriate funds will be debited from my checking account on the day specified below.

the 5<sup>th</sup>     the 15<sup>th</sup>     Last Banking Day of the Month

I authorize MarBorg to perform an automatic payment during the first month of the two-month billing cycle for any outstanding balance. For example, if my billing cycle includes November and December, MarBorg will charge my payment on the appropriate day in November (the last business day of the month for credit cards or the day you marked above for checking accounts). MarBorg may deduct payments monthly for commercial services. I can terminate Auto Pay at any time and Auto Pay will be automatically terminated by MarBorg after receiving final payment on a closed account.
