GOLETA EDITION – Spring 2024

## Earth Day 2024 at Alameda Park!

Join us at the 2024 Earth Day Festival! Save the date for the Santa Barbara Earth Day Festival at Alameda Park on Saturday, April 27, and Sunday, April 28, 2024, hosted by Community Environmental Council (CEC) and CarpEvents. The theme of this year's festival is Planet vs Plastics with the aim to advocate for widespread awareness on the health risks of plastics, phasing out single use plastics, and pushing for a strong UN Treaty on Plastic Pollution by the end of the year. This free event is broken into themed-zones including kids' activities, food and drink, and an eco-friendly marketplace. One of the longest-running Earth Day celebrations in the country, there will be two full days of live music and entertainment and the largest Green Car Show on the Central Coast. Santa Barbara Earth Day Festival began in 1970 as Community Environmental Council's first opportunity to educate the public about dirty energy fossil fuels, inspire our community to find solutions, and take action at the grass roots level. Now, 54 years later, the need for community activism to protect our environment is greater than ever. Join us at the park this April to help us shape the path forward. MarBorg Industries is proud to be a sponsor of the 2024 Santa Barbara Earth Day Festival. Come say hello at MarBorg's Earth Day booth and check out our kids' craft project.

## Updated Bulky Item Pickup Services

The City of Goleta recently amended the franchise agreement for solid waste handling services with MarBorg Industries, which includes updates to existing bulky item pickup services. Both single-family homes and multi-family residences can enjoy **FREE** bulky item collections throughout the year. Goleta single-family residences are entitled to 4 free bulky waste pickups (5 items maximum per cleanup) each year. Goleta multi-family residences are entitled to collections matching the number of dwelling units in the complex annually, at no extra cost. Each dwelling unit's annual collection accommodates 5 bulky items or boxes. **All cleanups must be scheduled in advance.**

If you pay for individual trash service, you are eligible for these clean-ups. If you pay for trash service through an association or complex, bulky waste cleanups may be scheduled by each tenant or the property manager. Please call us ASAP at 805-963-1852 to schedule your pickup as reservations book quickly!
